LYONS HEALTH LABS provides this content for informational purposes only. The information contained herein is gathered from various sources and is subject to change without notice. LYONS HEALTH LABS cannot guarantee success in obtaining coverage or payment. Reimbursement for medical and nutritional products and services is affected by numerous factors. It is always the provider's responsibility to determine and submit appropriate codes, charges, and modifiers for services that are rendered. Actual codes and/or modifiers used are at the sole discretion of the treating physician and/or facility. Providers should contact their third-party payers for specific information on their coding, coverage, and payment policies. This guide is in no way intended to promote the off-label use of any product. Information last reviewed October 2022
