

A Sip of Nutrition. A Taste of Nostalgia.

What if nutrition could offer more than just nutrition? What if it could also nourish the spirit? What if a single sip could peel back the decades and offer a taste of good memories? At Hormel Health Labs, we believe there is power in the past. That's why HORMEL VITAL CUISINE™ PLUS-2™ dairy protein drink, with a simple label, comes in classic soda fountain flavors. It's a welcome taste of yesteryear that helps provide necessary calories and protein. Share some yesterday with your patients today.

Simple Nutrition, Flavored With Yesteryear.

HORMEL VITAL CUISINE™ PLUS-2™ dairy protein drink is a dual wonder. For starters, it delivers the nutrients that patients need with a simple label. It has no high fructose corn syrup, artificial colors or flavors and is formulated with dairy proteins designed to add calories and protein to the diets of those who are not eating enough food. Secondly, it's simply delicious.

It's available in five beloved soda fountain flavors and features a smooth, ice cream-like taste. So they'll delight in classic flavors that take them back, while getting the nutrition they need. Packaged to be poured into 2 oz. portions as part of a medication pass program or served in 4 oz. portions as a between-meal snack.
