The **CLEAR** Solution

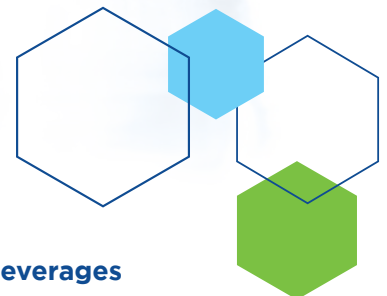

THICK & EASY® **CLEAR** Instant Food & Beverage Thickener

THICK & EASY® Clear Instant Food & Beverage

Thickener is a xanthan gum based thickener. This thickener was developed to improve the clarity and visual appeal of thickened liquids but it is also great for foods. **THICK & EASY**® **Clear** has very little color or flavor allowing foods and beverages to keep their natural flavors and aromas while being safer to eat and drink for those with dysphasia.

- **Transparent**
- **Tasteless**
- **Easily dissolves in beverages**
- **Minimal calories & carbs added**
- **Ideal to achieve IDDSI levels**

Make the CLEAR choice!

EASY TO USE
Simple mixing instructions and only a fork is required to achieve a smooth, CLEAR dispersion. Virtual training upon request.

SAFE FOR PATIENTS WITH DYSPHAGIA
After reaching the optimal viscosity, it remains at the appropriate consistency for the duration of consumption. Thickening times vary based upon the beverage served.

SUITABLE FOR A VARIETY OF DIETS
The limited calorie and carbohydrate content makes it suitable for individuals on carbohydrate-controlled diets.

SUITABLE IN A VARIETY OF FOODS & LIQUIDS
Thicken all varieties of hot and cold foods and liquids to be enjoyed without affecting the color or taste. Simply add our specially formulated thickener to your desired liquids or foods for the proper consistency needed. Individuals with dysphagia can enjoy tasty, nourishing foods, while maintaining a properly hydrated and healthy nutritional status.
